☐ I understand that the Chicago Zoological Society will display the plaque on the bench for no less than 15 years from the time of installation. The zoo will then offer me the opportunity to renew this recognition with an additional gift at the prevailing gift amount. If I am unavailable, the zoo will make a good faith effort to offer this opportunity to the person that I have specified.

The zoo will install the plaque on a new or pre-existing bench. I recognize that for the plaques to be consistent, a standard is set for the size, type font and length of message on a plaque, as well as location of the bench, in order to assure proper aesthetics and readability. The zoo reserves the right to relocate the bench to an adjacent area if the zoo determines such relocation is required.
