If one of your favorite candy bars or sweets is produced by a company not listed above, it probably means that they are not a member of RSPO. You can take action by writing a letter and asking them to join the RSPO and be committed to using certified sustainable palm oil. **For a sample letter and more information on how you can Make a Difference for Wild Orangutans visit www.cmzoo.org/conservation/PalmOilCrisis.**

Note: Mars has applied to be a member of the RSPO; they are currently waiting for approval. We applaud them for taking this step and look forward to adding them to this shopping guide as soon as they are approved.
