BROOKFIELD ZOO

Chicago Zoological Society

Welcome Back!

The health and safety of our animals, staff, and guests has always been our priority. During our temporary closure due to COVID-19, we have been closely following the guidelines set forth by our local, state, and federal government agencies, and have made a number of changes to our daily operations.

We encourage you to please read through this document prior to your visit.

ADVANCED TICKETS AND PARKING ARE REQUIRED FOR ALL GUESTS AND MEMBERS

Guest capacity will be limited to ensure safe social distancing within the 216 acre park. Reservation times will be available in 20-minute increments. Everyone must reserve and secure a ticket online prior to visiting Brookfield Zoo. Please note no tickets will be sold onsite. All tickets are non-refundable and no rainchecks will be made. We appreciate your understanding!

TOUCHLESS ENTRY

All guests are required to pay for parking on the website and will need to indicate location—either the Main Gate (north) or South Gate lots during the checkout process.

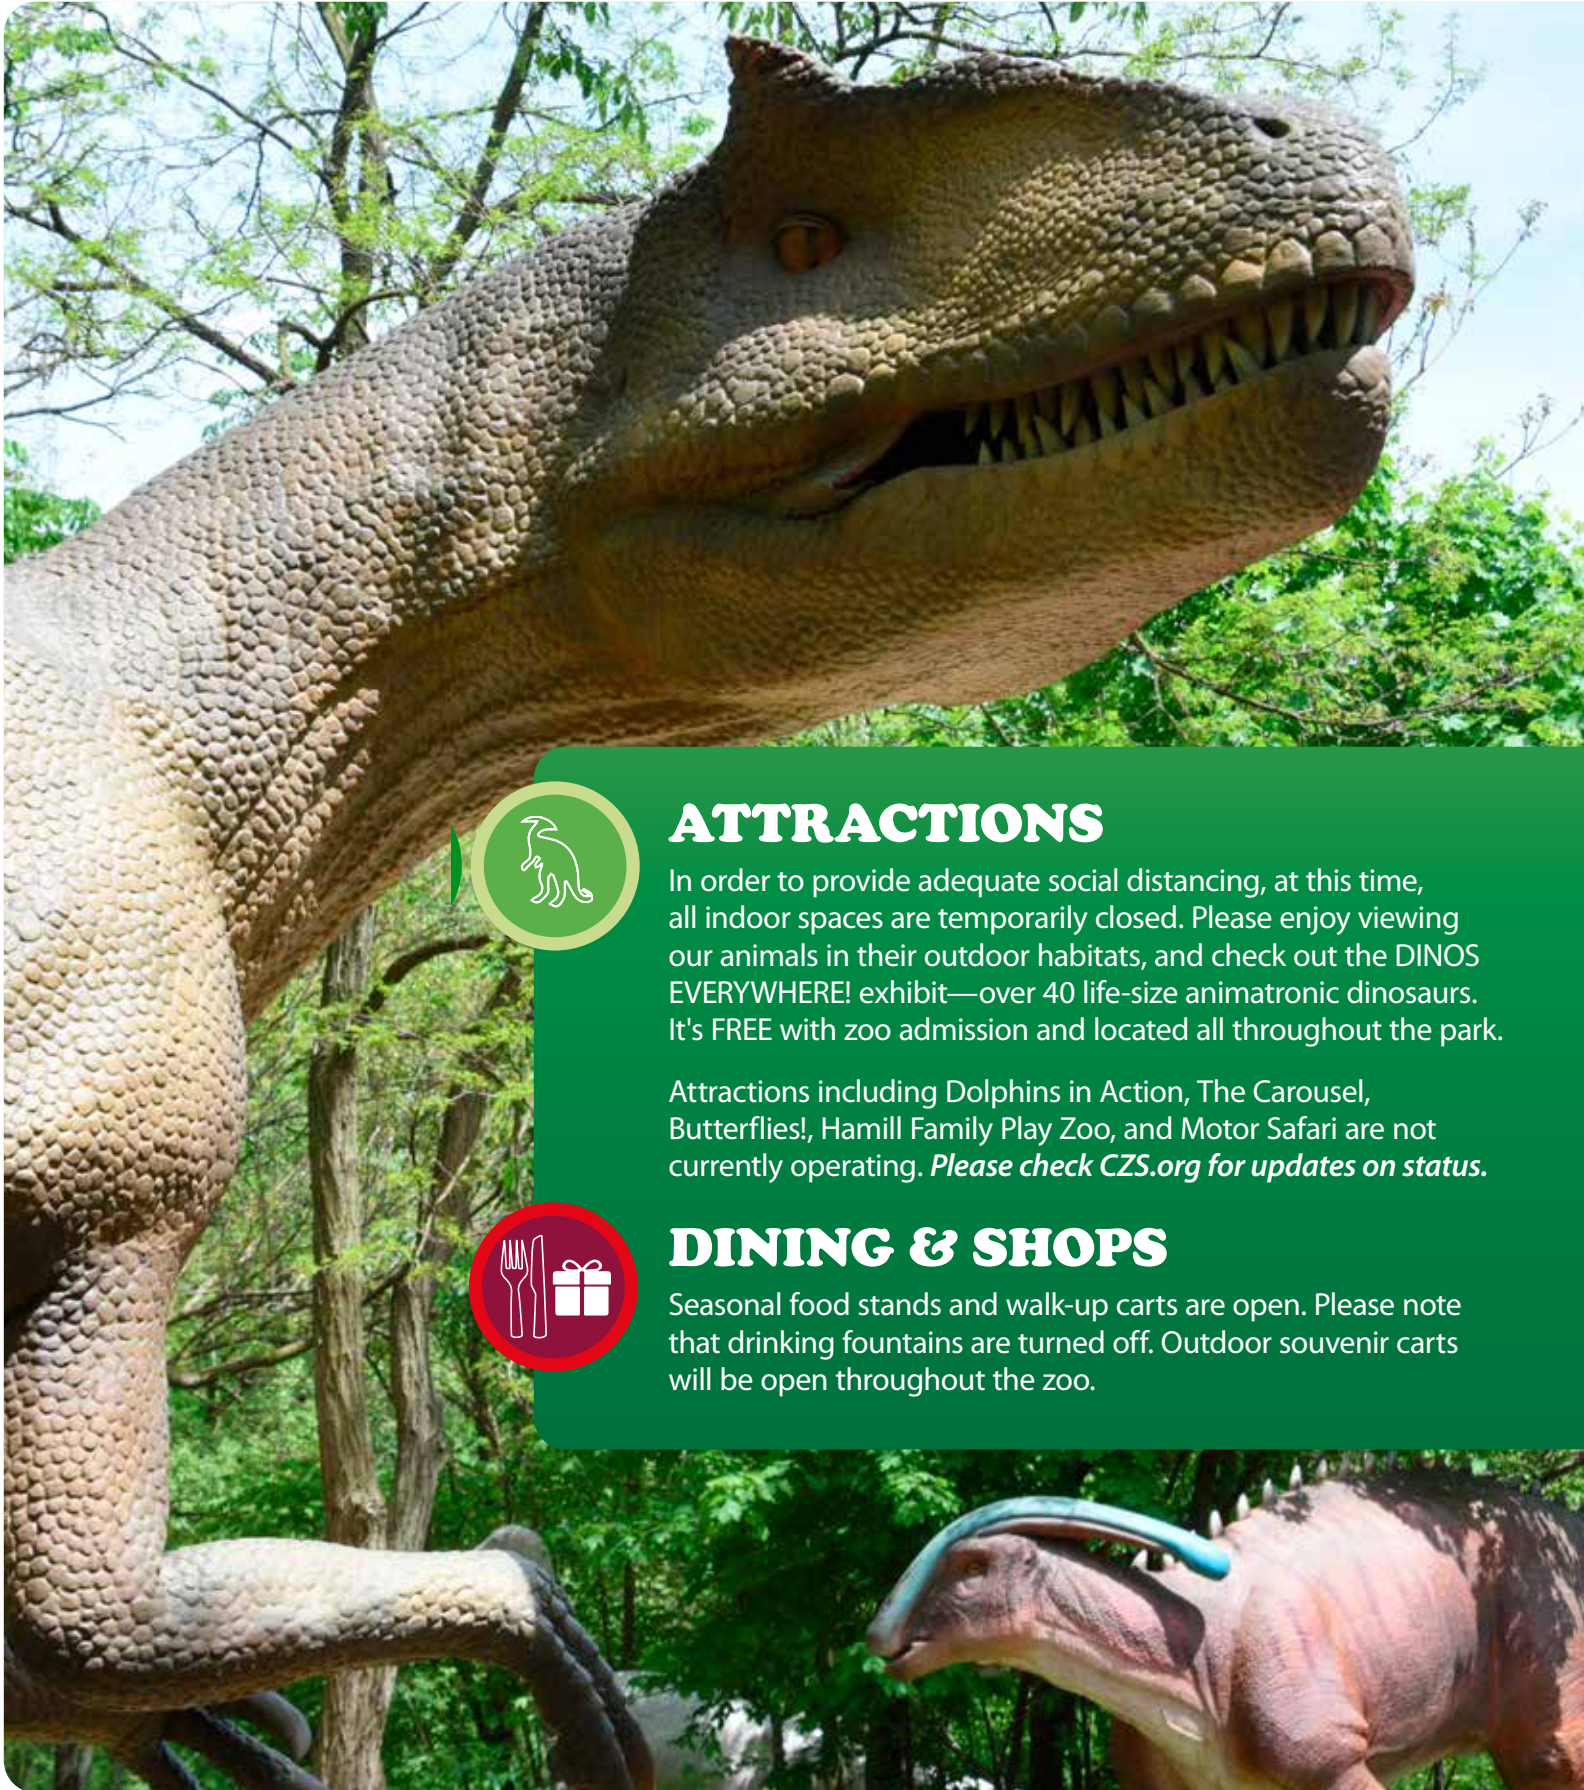

CASHLESS ENVIRONMENT

In order to limit person-to-person contact, card payments will need to be used for food, beverage, and gift shop transactions.
