#### CAPE TOWN

This afternoon, arrive in Johannesburg where you connect with your flight to Cape Town, South Africa's "Mother City". Upon arrival, you will be met by your specialist guide and escorted to your hotel. The provincial capital, Cape Town, is a sophisticated city with plenty to see and do, particularly around the Victoria and Alfred Waterfront area, where delightful buildings of the Cape Dutch and Victorian-era architecture have been restored as shops, restaurants, museums and pubs, while the busy water traffic of the docks goes on unabated.

### DAY 3 ~ TUESDAY ~ NOVEMBER 5

#### CAPE TOWN~CAPE PENINSULA/KIRSTENBOSCH

#### BOTANICAL GARDENS/ TWO OCEANS AQUARIUM

Get ready for a breathtaking coastal drive to the Cape of Good Hope. You are surrounded by spectacular mountains, rugged shorelines, and the blue sea below. Stop at Hout Bay and take a boat ride to discover the seal colony. See Devil's Peak, Lion's Head, Table Mountain and the Twelve Apostles. Pass quaint seaside towns as you continue to Cape Point where the stormy waters of the Atlantic meet up with the calm waters of the Indian Ocean. At Cape Point, climb the steps or ride a funicular to the top where you can explore a lighthouse, enjoy the views or even indulge in a bit of shopping. Take a close look at the ocean where you may see dolphins and a variety of seabirds. You will also have the chance to explore the Cape Point Nature Reserve which is host to approximately half

of the 2,700 species of indigenous plants contained in the Cape Peninsula. Look for the distinctive orange found in leucospermums, one of the rarest types of proteas – the mimites, marvel at the helicrysums and pelarganium calcullums, and enjoy the ericas, phenacommas and fine bush which the Dutch called "fynbos." There are 250 species of birds in the reserve, ranging from ostriches to minuscule sunbirds. Caracal, chacma baboon, a wide variety of buck and various other mammal species may be seen, including Cape Mountain zebra and the bontebok which is endemic to this part of the world. The baboons feed occasionally on marine foods which they garner at low tide. At Olifants Bay, look for Oystercatchers, and enjoy some superb birding.

Enjoy lunch at a local restaurant, and continue to Boulders Beach where the African (Jackass) Penguins can be seen – also known as the Black-footed Penguins. These flightless seabirds are found only on the coast of Southern Africa and the only penguins found on this continent. Enjoy a delightful walk on a specially-built platform onto the little sheltered beach where they nest among the rocks, and "waddle" up and down into and out of the sea. Since the penguins are accustomed to human presence you can safely get within a few feet of them as you stand on the platform, and it is sometimes possible to view them nesting behind rocks and bushes.

Continue with a guided tour of Kirstenbosch Botanical Gardens, arguably one of the most beautiful gardens in the world. Founded in 1913, Kirstenbosch lies on the eastern slopes of Table Mountain and consists of landscaped gardens of indigenous plants and trees, watered by the Liesbeek River, as well as natural forest that extend up to the lower slopes. Kirstenbosch covers an area of 1,383 acres, 148 of which are cultivated; the remainder is a natural flora reserve. It is a living display featuring 9,000 of the estimated 20,000 species of indigenous South African flora, and close to 50% of the peninsula's floral wealth. In the cultivated area, related plants are grouped together and radiate from the central lawns like the spokes of a wheel. Among the interesting sections here are the Cycad Amphitheatre, which hosts most species of these "living fossils" found in southern Africa; the famed Protea Garden on the higher slopes, with its profuse growth of silver trees (*Leucadendron argenteum*); the JV Mathews Rock Garden (named after the first curator) containing succulents of the genera *Crassula*, *Aloe*, *Lampranthus* and *Euphorbia*; the Erica Garden and the Pelargonium Koppie. Two streams cut through Kirstenbosch, both laced with besembos, red alder and hard fern. Of historical interest is an avenue of camphor trees and fig trees planted by Cecil Rhodes in 1898, and a small section of wild almond (*Brabejum stellatifolium*) hedge planted by Dutch settler Jan van Riebeeck in 1660. Birds of all sorts can be seen here as well – Dusky and Paradise Flycatchers, sunbirds, Klaas's cuckoos, bulbuls, pigeons, brilliant green and red Cape Sugarbirds (which pollinate the flowers), guinea fowls, and the Cape Batis.

Dinner this evening is held at the Two Oceans Aquarium, one of the finest aquariums in the world. Located in the heart of Cape Town's Waterfront. The aquarium showcases the unique marine life of the Atlantic and Indian Oceans which lie on either side of the Cape of Good Hope. It is considered to be one of the supreme aquariums worldwide as it presents more than 300 different species of fish in more than 30 basins. Amongst the sea life found here are sharks, penguins, turtles, frogs and a huge variety of fish and sea plants.

Overnight at the VINEYARD HOTEL. (B,L,D)

#### DAY 4 ~ WEDNESDAY ~ NOVEMBER 6

##### CAPE TOWN ~TABLE MOUNTAIN/SANCCOB

Get a feel of what Cape Town is all about by taking the cable car to the top of Table Mountain, the signature of this city, easily one of the most recognizable mountains. This tour is very dependent on the wind factor, as well as the clouds. Many times, a cloud covers this flat-topped mountain, which rises to 3,563 feet above sea level and the locals affectionately say it's a white tablecloth. Legend has it that a retired pirate, on climbing the mountain met up with the devil. In order to preserve his soul, the pirate challenged the devil in a smoking contest. So, they stoked up their pipes and have been smoking ever since. For centuries Table Mountain has been a guiding beacon to mariners rounding the Cape of Southern Africa. Sir Francis Drake described it as "the stateliest thing and the fairest cape we saw in the whole circumference of the earth." Despite its formidable appearance, it is possible to hike up Table Mountain. The first recorded ascent was in 1503 by the Portuguese navigator Antonio da Saldanha who, confused by the Cape Peninsula geography, climbed to the summit via the frontal cleft, now known as Platteklip Gorge. For nature lovers, the birding is awesome, and the wild flowers include agapanthus, watsonias and red nerines which poke out from rock crevices amid a scrub of ericas and gnarled proteas. More than 1400 species of flowering plants have been recorded on the mountain which makes it a spectacular sight in the spring. Cute guinea pig-like creatures known as rock dassies, or hyraxes, (genetically, the closest living relatives to elephants) scuttle everywhere. They are not afraid and scamper among the tourists seeking to be fed.

This afternoon, visit the Southern African Foundation for the Conservation of Coastal Birds

(SANCCOB,) a long name, but a great worthy cause. This non-profit seabird rehabilitation center is based in the Table Bay area in Cape Town. They are internationally recognized for their rehabilitation efforts. They have treated over 85,000 birds since inception in 1968. In addition to rehabilitation, especially for threatened species, they aim to raise awareness about conservation through education.

*"SANCCOB is at the forefront of saving African penguins and other threatened seabirds. It never takes a day off and its rehabilitation team is on 24-hour call. SANCCOB deploys its specialist emergency response skills in Africa, the Indian Ocean region, Antarctica and Sub-Antarctic. Through its training academy it equips people to work in the environmental sector; and a passion to instill pride and knowledge about marine conservation drives its education programs. SANCCOB is a leader in seabird disease research."*

**DAYS 5/6 ~ THURSDAY/FRIDAY ~ NOVEMBER 7/8**

**CAPE TOWN/HAROLD PORTER GARDENS/GROOTBOS NATURE RESERVE**

Start your day with a visit to Harold Porter gardens, this beautiful, secluded area set between mountain and sea, in the heart of the Cape Fynbos region within the Kogelberg Biosphere Reserve. It consists of 24 acres of cultivated fynbos garden and 470 acres of pristine natural fynbos. The Garden Estate is the natural part of the garden with several miles of nature trails providing scenic views of forests, mountains and coastline. The main fynbos families (proteas, ericas and restios) are present as well as other important families such as irises, daisies and orchids. The Garden boasts red disa (*Disa uniflora*) in its natural habitat as well as South Africa's national flower, the king protea (*Protea cynaroides*).

The second leg of the journey takes you to Grootbos Nature Reserve, situated just past Hermanus, overlooking Walker Bay and Cape Point. It's also a short distance from the southernmost tip of Africa, Cape Agulhas, and is located on the best whale-watching coast in South Africa. You will experience something completely different here - exciting activities include coastal walks, beach excursions, horse/pony back riding and 4x4 drives.

Grootbos is a pristine botanical reserve that has some of the most beautiful wild flowers and striking landscapes to be seen. Your guide will explain fynbos in better detail, the seasonal fluctuations, what effect fire has on the plants and animals and why fynbos requires fire for succession.

Grootbos Private Reserve conserves 4,200 acres of pristine fynbos, the Cape's unique vegetation type. Within its borders lies a wealth of more than 650 species of indigenous plants. Huge stands of extravagant proteas paint the hillsides and bulbs burst into flower after fire. Pollination, seed dispersal and germination - there is always something happening and a story to be told. Grootbos' expert botanical guides will open your eyes to the intricacies of the fynbos ecosystems and leave you with another lasting impression of the wonders of nature.

The coastline offers a marine experience like no other. See 40-ton Southern Right Whales only few feet from your boat. Travel to the island refuge of huge sea bird colonies and admire the underwater antics of a 60,000 strong Cape Fur Seal colony. Be amazed by the awesome spectacle of a great white shark breaking the surface and transfixing you with an unblinking stare. The cliffs of Walker Bay, right at your doorstep, offer the best land-based whale viewing in the world. Watch spellbound as mothers, calves and energetic bulls come to within 30 meters of the rocky shoreline.

This area of coast is prime whale breeding and calving grounds and every year between July and November (even mid-December) many Southern Right whales come here. It is a sight to behold especially when they are so close into shore that you can smell their fishy breath! Late afternoon you will enjoy a spectacular sun set over Walker Bay, casting warm orange hues over all in its path. Sunrise is no less spectacular and makes for magnificent landscape or floral photography. Explore the reserve on foot, horseback or in an open 4x4 vehicle taking in the different eco-zones and Table Mountain sandstone geological structures. Take a stroll through one of the precious cool afro-montane forests, south facing fire resistant plant communities similar to tall tropical rain forests living in pockets on steep hills.

One of the activities included while at Grootbos is a whalewatching/ marine discovery cruise. Gansbaai is the whale watching Mecca of the world. During the months of July to December people from all over the world journey to the shores of Gansbaai to view southern right whales and other marine life in the Dyer Island area, including African Penguins, sea birds, seals, great white sharks and dolphins. A qualified guide and naturalist will accompany you, therefore ensuring a high quality of service and an extremely informative trip.

## DAYS 9/10/11 ~ MONDAY/TUESDAY/WEDNESDAY ~ NOVEMBER 11/12/13

### CAPE TOWN/JOHANNESBURG/MADIKWE GAME RESERVE

Return to Cape Town for your flight to Johannesburg. Upon arrival board, board your short light aircraft flight to Madikwe Game Reserve, in search for the 'big five' – buffalo, lion, leopard, elephant and rhino. Situated on the border of Botswana in the North-West province of South Africa, Madikwe Reserve is a world-renowned 165,000-acre malaria-free wildlife reserve. Introduced to the public in August of 1991, the park has undergone extensive transformations. Its main goal upon opening was the reintroduction of wildlife species that once roamed the lands. Madikwe is managed by the North-West Parks and Tourism Board (NWPTB), a conservation organization that is world-renowned for its approach to people-based wildlife conservation. Unlike many other state-owned wildlife parks in Africa, the conservation approach adopted by Madikwe puts the needs of people before wildlife and conservation. NWPTB believes in order for conservation to succeed, local communities and individuals must benefit from wildlife conservation.

Madikwe is home to 66 mammal species and approximately 300 resident and migratory bird species. In addition to the 'Big Five,' hippo, giraffe, wild dog, hyena and cheetah can also be seen here. Due to its closeness to the Kalahari Desert, there's an overlap of a number of species, offering guests more diversity in wildlife viewing. Madikwe is also host to a number of large antelope species, such as eland, gemsbok, sable and nyala. Smaller buck species such as springbok, oribi, duiker and klipspringer can also be found here. While here search for the smaller animals – honey badger, otter, cerval, fox, meerkat, antbear, baboon, porcupine, warthog, bushbaby and hedgehog. Madikwe is also an ornithologist's paradise; a plethora of birds can be seen such as flycatchers, firefinches, babblers and buzzards.

*Lelapa literally means 'family', which is exactly how Madikwe Lelapa Lodge and its staff want you to feel during your visit. There are only 12 suites on site to maintain an intimate atmosphere with personalized service. Your accommodation comes equipped with indoor and outdoor showers, a private plunge pool, and a wood-burning fireplace, put in place to enhance the subtle natural beauty of this incredible place.*

**ALTERNATE ACCOMMODATIONS:** Just a stone's throw from Lelapa is the Madikwe Dithaba Lodge. Dithaba translates to mountain in a local dialect. The mountain in question is to the elevation that houses the lodge itself. This advantageous position offers stunning views over the verdant panorama of the surrounding plains. The camp is comprised of 4 suites with private plunge pools and wood-burning fireplaces. Often called Jo'burg, Johannesburg is the country's largest city and financial center with ultra-modern skyscrapers and a bustling way of life. It is the city of gold, as its claim to fame is the gold that was discovered close-by. There are many things to do in Johannesburg - relax, shop, sightsee and take in the local flavor.

**DAYS 13/14 ~ FRIDAY/SATURDAY ~ NOVEMBER 15/16**

### JOHANNESBURG/VICTORIA FALLS

Transfer to the airport for your flight to Victoria Falls, Zimbabwe, to view the mighty Victoria Falls. At more than twice the size of Niagara Falls it's no surprise that Victoria Falls are among the Seven Wonders of the World. Mosi-oa-Tunya - The Smoke that Thunders, derived from the towering column of spray when the Zambezi River runs high, is the name that Zimbabwe's local people have given to this awesome natural phenomenon. The name is probably more appropriate and descriptive than "Victoria", which has a far too calm and composed ring to it to do justice to the masses of thundering, swirling water of these spectacular Falls. But all Dr. David Livingstone probably thought of when he named the Falls after his Queen in 1855 was his royal duty. Five separate falls make up this incredible spectacle that plunges more than 328 feet into a sheer-sided chasm which separates Zimbabwe from Zambia. The awe-inspiring abyss is spanned by a 1905 Edwardian bridge which links the two countries and many adventurers now use to bungee jump. The masses of water plunging down the Falls and into the gorge below originate from the mighty Zambezi River that meanders through more than 1,677 miles of African countryside.

An afternoon sundowner cruise will be a highlight as you glide along the Zambezi River, watching hippos snort, elephants drink on the riverbank, monkeys jump from branch to branch, birds fly overhead or pose for a photograph on the branches, and much more. Enjoy your gin and tonic, cool beer, or drink of choice, and see a panoramic sunset as the sun dips below the horizon, painting the whole area in unbelievable colors of brilliant reds, yellows, purples and mauves.

Visit an authentic native village to see how the local people live. You will be escorted by your English-speaking village guide, seeing a culture and ways of life that remains virtually unchanged through the ages. View their daily rituals, from the women cooking and mending their huts, to the artistic woodcarvings created right in front of you by the village artisans. Children scatter about and you are welcome to mingle and take photographs. Long after you've left, this cultural visit will remain with you, as you'll feel as though you've experienced a different part of Africa, quite essential if you're to understand the complexity of this continent.

*Your accommodation will be at the fabulous Stanley & Livingstone Hotel within a 6,000-acre private reserve bordering the Zambezi National Park. Edwardian charm, marvelous accommodations, hospitable staff, and numerous bush activities will make your stay a most memorable one. Morning and evening game drives, game walks, rhino interaction and elephant experience round up the diverse activities on offer.*

## THINGS YOU NEED TO KNOW ABOUT SOUTHERN AFRICA

---

### Participants:

- Participants must be able to climb in and out of safari 4x4 vehicles or minibuses, small aircraft and boats/canoes unassisted. They should also be able to tolerate riding on uneven, bumpy dirt roads for long periods of time (6-8 hours maximum), as well as some off-road experiences when opportunities allow.
- Participants should also be able to stand and/or walk moderate distances at an easy pace for up to a few hours at a time when visiting villages, towns or other sites. Some, if not most, of this walking may be on uneven ground or uphill, often at higher elevations and altitudes that many people are not used to.

### In general, this trip requires:

- Flexibility and good humor - unexpected changes and/or glitches will occur
- A spirit of adventure and curiosity
- Interest in and willingness to appreciate a destination with uneven infrastructure and a bending definition of comfort. That being said, some locations are nestled in absolute luxury where pampering is the norm.

### Air Schedules

Choosing the best possible air arrangements for our travelers is always a challenge. We work with many airlines that offer the best level of service, routings and value for our programs. While there may indeed be more direct routings available with another airline, the cost of these flights may not be within the budget that allows us to give you the best value possible. If you prefer to purchase your own international air, please feel free to choose the "land only" rate for this program. **The start city for this program is Cape Town and the end city is Johannesburg, South Africa.**

*Upon registration, you must provide your full legal name as it appears on your passport. In the event an airline ticket is issued with incorrect information you have provided, you will be responsible for charges associated with reissuing the ticket.*

For passengers who are traveling alone and wish to share a room with another tour member, we will do our best to provide a roommate. However, if this is not possible, you will be required to pay the single room supplement prior to your departure from the USA.

**GRATUITIES AND TAXES:** Gratuities for baggage handling, service charges and taxes imposed by hotels, and entrance fees to all points of interest as outlined in the itinerary are included. U.S. and foreign airport taxes are included in air costs. Tips to drivers and naturalist are NOT included.

### CANCELLATIONS, DEVIATIONS & CHANGES

**TRIP INSURANCE:** Because of the array on unforeseen circumstances that could delay or cancel a guest's trip, we highly recommend that guests purchase an optional insurance policy. Information will be sent to registrants.

**CANCELLATION POLICY:** Cancellations are only effective on receipt of written notification. The following per person fees are applicable on this tour:

- Up to July 31, 2019, less \$300 handling fee, plus \$500 non-refundable deposits given to overseas suppliers.
- August 1 to August 20, 2019, deposit is forfeited.
- August 21 to August 30, 2019, less 75% of tour cost.
- After August 30, 2019, no refund is possible

These cancellation fees are also in addition to any fees imposed by airlines.

**CHANGE FEES:** Once you reserve your tour, changes are possible at a fee of \$150 per person subject to availability of air or land space at the time of request. Should there be any change fees imposed by airlines or ground operators, or additional costs incurred due to availability of any space, this cost will be invoiced to you.

**SPECIAL ARRANGEMENTS:** We would be happy to make additional travel plans for you, including specially arranged pre- or post-tour extensions different than those that may be offered in conjunction with this tour. A service charge of \$150 per person (over and above the cost of the services required) will be assessed.

## DOCUMENTS

**PASSPORT & VISAS:** The onus is upon the guest to ensure that passports and visas are valid for the countries visited and for the applicable time period, as outlined by the U.S. Department of State ([travel.state.gov](http://travel.state.gov)) or by the passport holder's country. Classic Escapes, their staff and their agents cannot be held liable for any visas, etc. not held by the guests, nor for the cost of obtaining visas.

**PRE-DEPARTURE INFORMATION:** Upon receipt of your registration and deposit, we will send a pre-departure packet to you. This packet contains all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, insurance information, etc.

**FINAL DOCUMENTS:** Final documents and tickets will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

## TRANSPORTATION

**OPTIONAL AIR TRANSPORTATION:** Roundtrip, economy-class flights via **KLM ROYAL DUTCH AIRLINES** and/or other IATAN carriers are between CHICAGO and the destination city noted in the itinerary. Rates are based on special promotional fares; cancellation fees apply once tickets are issued. Departures from other cities in the USA are possible at additional cost; inquire at the time of reservation. Please note that these promotional fares are subject to 10 passengers traveling together on the same airline routing and itinerary. If this minimum is not met, the special group rates are not applicable and it might become necessary to issue instant purchase tickets earlier than when final payment is due in order to take advantage of airfares that are similar to the group rates. Should this occur, you will be contacted with the details.

**AIRLINE SEATING:** For **KLM ROYAL DUTCH AIRLINES**, we request seats together for the group. All planes are non-smoking. We can request a seating preference on your behalf, however requested seats cannot be guaranteed. Requests should be made in writing no later than 60 days prior to departure. Bulkhead and/or emergency row seats can only be requested at airport check-in on the day of departure. Boarding passes will only be issued at the airport on the day of departure. You may inquire about seat changes during check in, based on availability and is at the sole discretion of airport staff.

**FREQUENT FLYER MILEAGE:** As mentioned, we work primarily with **KLM ROYAL DUTCH AIRLINES**. For a list of the airline's partners, visit <https://www.skyteam.com/en/about/>. Become a member of the mileage program for any of these airlines and present your frequent flyer card at all flight check-ins to obtain credit for your flights. Remember to keep the boarding passes until you receive a statement with the mileage credit.

**TRANSFERS:** Roundtrip airport transfers are included in the tour for guests arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

**DEPARTURE TAXES:** Please note the amount of departure tax reflected in the airfare is subject to change, at the discretion of governments and airlines, and with no advance notice. Should this occur, you will be invoiced prior to departure for any additional taxes imposed.

## TRIP DETAILS

**ACCOMMODATIONS:** You will marvel at the wonderful accommodations provided throughout your tour. All rooms have private bathroom facilities and air conditioning and/or fans. All rates are based on double occupancy. Most rooms are twin-bedded, but king-size beds are occasionally available and should be requested in advance. Accommodations listed in this itinerary are correct at time of writing, but on rare occasions may be substituted for a different property of comparable quality.

**MEALS:** All meals as specified in the itinerary. Please notify us if you have special dietary needs or requests, and we will do our best to accommodate.

**INOCULATIONS:** When it comes to vaccination and disease prevention, we suggest that travelers first review information provided by the U.S. Centers for Disease Control and Prevention ([www.cdc.gov/travel](http://www.cdc.gov/travel)) and then review those details with their personal physicians.

**WATER:** It is always advisable to drink bottled and/or filtered water when traveling overseas. Safe drinking water will be provided to travelers free of charge in the vehicles and during meals.

**BAGGAGE:** On average, international flights from the USA allow two pieces of checked luggage, each not exceeding 50 pounds; however, we always recommend that you check your airline's policy just before departure, as luggage limitations are always subject to change. Despite this weight allowance, we always suggest guests travel light. Also, soft-sided duffel bags are ideal for this tour, as they stow best in vehicles and airplanes with limited space.
