## **Materials Recommended for Ornaments:**

- Decorated popsicle sticks
- Laminated paper

- Plastic needlepoint clothespins
- Foil wrapped objects
- Strung beads
- Yarn
- Fabric
- Soda cans
- Wood items

**PLEASE REMEMBER DURABILITY.** The ornaments need to withstand the elements of winter. Ornaments should be painted, varnished, shellacked, or laminated (this does not include food items). Water-soluble glue (Elmer's) is NOT recommended.

Please hang ornaments with string or yarn (no wire or pipe cleaners). Tie the ornaments on tight enough that they will not blow off, but not so tight that volunteers are unable to remove them.

Lights will be strung by Brookfield Zoo staff. **Do NOT add additional lights of your own.** Your groups should make enough ornaments to sufficiently decorate these trees – approximately 100–150 ornaments about 3" x 3" in size.

**Please Note:** If your group would like to keep its ornaments, you can remove them January 1–16, 2021 during regular zoo hours (10:00 a.m. – 4:30 p.m.). Ornaments left on the trees after Saturday, January 17, 2021 will not be saved.
