I understand that the Chicago Zoological Society will display the tree plaque for no less than 15 years from the time of installation. The zoo will then offer me the opportunity to renew this recognition with an additional gift at the prevailing gift amount. If I am unavailable, the zoo will make a good faith effort to offer this opportunity to the person that I have specified.

I recognize that for the plaques to be consistent, a standard is set for the size, type font and length of message on a plaque, as well as placement of the tree plaque, in order to assure proper aesthetics and readability. The zoo reserves the right to relocate the tree plaque or tree to an adjacent area if the zoo determines such relocation is required.
