### DAY 3~FRIDAY~JUNE 15

#### NAIROBI

An interesting day is in store for you. This morning you will get set for an exciting adventure as you visit Daphne Sheldrick's Orphanage at the edge of Nairobi National Park, which is a nursery and rehab center for infant elephants that have lost their families, as well as rhino and occasionally zebras and other wildlife. Daphne was the first person to successfully master the art and raise orphan infant elephants. The wife of the famous naturalist David Sheldrick, Daphne has dedicated her life to conservation. David was founder Warden of Kenya's giant Tsavo East National Park, in which he served from 1948 until his death in 1976. Daphne has continued her involvement and has had real impact on the lives of elephants and rhinos, which would have normally died due to human poaching and surrounding population conflict. You'll enjoy a visit with the elephants as they're brought by their keepers to the waterhole and salt lick to be fed and socialize - see how they roll in the mud and play fight, and their affectionate interaction with their keepers.

Daphne, or a member of her staff, will be on hand to discuss their habits, as well as impart interesting facts about their upkeep. These infants are eventually released into the wild at Tsavo East National Park and end up in the care of other orphans who have been successfully reintroduced to the wild.

Continue to the AFEW Nature Center near Giraffe Manor where you may hand-feed the Rothschild giraffe that live here. The giraffes were brought here by Jock and Betty Leslie-Melville, who founded AFEW (African Fund for Endangered Wildlife) and built the Nature Center to help educate young African children about wildlife conservation. The Rothschild giraffe are the tallest species and may reach 18 feet in height, but you can see eye to eye with them on the elevated walkway at the center.

Enjoy lunch at Karen Blixen's Garden Restaurant before visiting the Karen Blixen House, the former house of the Danish Baroness, Karen Blixen (1885-1962) author of the book *Out of Africa*. Karen lived in this green residential area from 1914 to 1931 when she left permanently for Denmark. The house was built in 1910 and when Ms. Blixen bought the property, it had 6,000 acres of land but only 600 acres were developed for growing coffee; the rest was retained under natural forest. The house was bought by the Danish Government, which offered it back to Kenya in 1963. In 1986, the house, formerly used as a school, was transformed to a National Museum. Much of the original furniture is on display in the house and most objects were either used by Karen herself or for the shooting of the film or donated to the museum.

Your next stop is at the Kazuri Bead Factory, founded by Lady Wood, widow of the founder of the Flying Doctor Society Michael Wood. All the beads and pottery in the shop is designed and created by mothers who would not otherwise have employment. The

quality and beauty of designs has made the factory a favorite of locals and visitors alike.

Your welcome dinner has been prepared for you at the Carnivore Restaurant. Here you will enjoy every type of meat imaginable, including four choices of wild game, is roasted on traditional Maasai swords (skewers) over a huge, visually spectacular charcoal pit that dominates the entrance of the restaurant.

#### **DAYS 4/5~SATURDAY/SUNDAY~JUNE 16/17**

#### **SAMBURU RESERVE**

This morning set off for the heart of East Africa where you will discover its people and wildlife. Drive through rich farmland and the verdant slopes of Mt. Kenya, past the equator, to Samburu Reserve, which lies 200 miles north of Nairobi on the hot and arid fringes of the vast northern region of Kenya. The Reserve is within the lands of the colorful Samburu people, close relatives of the Maasai, and home to a number of wildlife species rarely found elsewhere in Kenya: Grevy's zebra, reticulated giraffe, and Beisa oryx, all found only north of the equator. The graceful antelope, gerenuk with its characteristic long neck, spends much of its time in a bipedal stance seeking relaxation in the sparse scrub that grows in

this harsh terrain. This dramatic landscape is blanketed by the hot equatorial sun for most of the year. Relief comes from the cool waters of the Uaso Nyiro ("Brown") River, which rises to the west on the foothills of the Aberdares and which vanishes beyond Samburu in the soggy expanse known as the Lorian swamp. The scenery in Samburu is magnificent and the birdlife awesome. En route, you'll stop for lunch at the Trout Tree restaurant, which is built into an old fig tree. This is a type of restaurant all but lost in the modern world and the trout couldn't be more fresh as you can watch them jumping in the ponds and lake below.

Your accommodations for the next two nights, the Ashnil Samburu Camp is located in the Buffalo Springs Reserve, separated from Samburu Reserve by the Uaso Nyiro River. This is the perfect lodge from which to view large numbers of elephants using the river to drink, bathe and play. Huge troops of baboons patrol the riverbanks daily and in the camp itself vervet monkeys socialize in the trees. Each of the 24 exclusive, comfortable, deluxe tents gives perfect

views of the river, surrounding beautiful landscapes and all life this brown river supports. Every spacious tent consists of a king size or twin beds, dressing area, sitting area, luggage rack, and en suite facilities.

## DAY 6~MONDAY~JUNE 18

### MOUNT KENYA

Return to the verdant slopes of Mt. Kenya to your 'tree hotel' and your next adventure! On arrival check into the lodge and enjoy the remainder of the day at leisure.

The Mountain Lodge, which stands 7,200 feet up on the slopes of snow-capped Mount Kenya and is surrounded by dense rain forest, has the area's highest record of animal "visits" and sightings. All rooms, though rustic, are very clean and comfortable with en-suite facilities and spacious verandahs often 'patronized' by Colobus and Sykes monkeys (who may try to steal your food as you relax!). The main public areas overlook an illuminated waterhole frequented by a myriad of wildlife. The area comes alive at dusk with the cacophony of creatures of all sizes. Game viewing, throughout evening and night, includes elephants, buffalos, rhinos, giant forest hogs, waterbucks, and if you are lucky leopard and lions. A specially built structure, connected to the lodge by a short tunnel, allows close-up views of the game at the waterhole.

One of the highlights of your visit will be a guided nature walk (*at an additional cost*) by the lodge naturalist through the forest, which enables you to experience nature close up, and offers a brief on historical aspects of Mount Kenya and the area – so important during the Mau Mau movement for independence from British rule. The majestic rocky peaks of Mount Kenya constantly tower over the scene and you're likely to see some rare forest birds, as well as waterbuck, bushbuck, and oftentimes elephant and buffalo. Colobus monkeys may leap overhead, and Sykes monkeys can often steal your food if you're enjoying it while on the verandah.

Overnight at the SERENA MOUNTAIN LODGE. (B,L,D)

**DAY 7~TUESDAY~JUNE 19**  
**LAKE NAKURU NATIONAL PARK**

Soak up the vivid scenery as you drive to the Great Rift Valley, a huge geological fault-line that stretches round one-sixth of the Earth's circumference and is visible from far out in space. At 2,000 feet deep and 30 miles wide, it runs as far as the eye can see. Its walls are sheer and high and along its length, there are many volcanoes, most now dormant. With bubbling springs and geysers, the landscape is spectacular.

Arrive to Lake Nakuru National Park, a shallow alkaline body of water, once world-renowned for the huge concentration of flamingos. Today, there aren't many flamingoes left, but the park boasts a huge variety of animals including leopard – often found snoozing on the branches of magnificent yellow-barked acacias – lion, buffalo, hippo, waterbuck, warthog, baboon, and the endangered Rothschild's giraffe (only found in this part of Kenya), white rhino and the rare, protected black rhino. For the bird-watching enthusiast there are 450 species found in the park vicinity, with a big concentration of water birds including Marabou Stork and pelican.

The Sarova Lion Hill overlooks Lake Nakuru. Built on a natural dais (platform), it is cleverly laid out so that most rooms afford stunning views of the lake and the Park. The lodge incorporates natural landscaping of tall acacia trees, winding walkways and greens dotted with bird feeders that attract over 50 species. All 64 rustic, chalet-style rooms are comfortable and offer en-suite bathrooms and private patios. Additional amenities include the Flamingo Restaurant, the Rift Valley Bar, swimming pool, sauna and novelty shops. Local dancers perform traditional dances nightly.

**DAYS 8/9/10~WEDNESDAY/THURSDAY/FRIDAY~JUNE 20/21/22**

**MAASAI MARA/NORTHERN SERENGETI**

Watch Maasai tending their cattle as wildlife grazes nearby on your drive to the Maasai Mara, Kenya's most famous wildlife reserve, much the setting for the film *Out of Africa*. It is classic savannah – grasslands, where animals are plentiful and the vistas spectacular. In this dreamlike land, animals live in freedom, and the Maasai care for their herds, all sharing the same land with minimal conflict. You will have three days of wildlife-viewing opportunities in the Maasai Mara Reserve, also known as the "Jewel of Africa," a site with one of the largest and the most spectacular animal migrations in the world. The reserve is inhabited by many of Africa's most popular wild animals, including lion, cheetah, elephant, leopard, black rhino, and hippo. There are also over 500 resident species of birds in the park including ostrich, larks, and sunbirds as well as the lovely Lilac-breasted Roller.

The area is famous for rolling grassland and for the Mara River, which runs through the reserve from north to south. The reserve covers an area of 700 square miles and forms part of the Serengeti ecosystem, hosting the world famous spectacle of the annual migration of up to two million wildebeest, thousands of zebra and an escort of carnivores from the Serengeti plains that follow the rains and succulent new grass. A costly trek as many of the lame, laggard, and sick will fall prey to the ravaging pack of predators and many more will die in the swirling flood waters of the Mara River as they try to cross it. While it is a bit too early for the migration in June, the Mara has its own resident herds and you're sure to see plenty of wildlife! The Mara also has one of the highest concentrations of cheetah on the continent, as well as many magnificent black-maned lions.

Optional activities while you're in the

Maasai Mara include a balloon safari for an exhilarating experience over the savannah as the early sun rises and the animals are more active. You can also visit a Maasai Village to experience this nomadic tribe's way of life and see their colorful culture.

Your home for the next three nights, luxury tented Ashnil Mara Camp is perfectly positioned close the Mara River, famous for the river crossing during the great Wildebeest Migration. Accommodation is offered in 30 luxury tents, which sit alongside the riverbank. The wide-spaced and secluded rooms have been individually styled in exuberant bush colors and feature large spacious en suite bathrooms, walk-in closets and a sun deck for relaxation while watching game. The restaurant serves buffet meals, while the open-air bar serves a wide selection of beers, cocktails and liqueurs. There is a modern

This afternoon, you may opt to shop in town, or at the African marketplace, or bask in the sun at the lovely pool of your hotel. Bid farewell to the rest of the group departing for the USA and prepare for your next adventure.

### DAYS 12/13~SUNDAY/MONDAY~JUNE 24/25

#### TSAVO WEST NATIONAL PARK

Your drive takes you to Tsavo West National Park (*an optional flight from Nairobi to Tsavo West is available at a cost of \$350 per person*.) At just over 8,000 square miles, Tsavo is the largest national park in Kenya and one of the largest in the world. Because of its size, the park was split into two, Tsavo West and Tsavo East, for easy administration. Located midway

between Nairobi and the coast, the area boasts volcanic hills, four rivers, more than 60 major mammal species and 1,000 plant species. The northern part of Tsavo West is the most developed and has spectacular scenery with a rolling volcanic landscape carpeted in long grass and dense bush. Although the tall vegetation makes game spotting trickier than in some of the other parks, Tsavo West's bio-diversity is amazing. The landscape is a mixture of grassland and forest shrub vegetation. Thus, driving and exploring the vegetation almost assures you close encounters with the following animals: lions, leopard, cheetah, zebras, giraffes, antelopes, kongoni, waterbuck, klipspringer, impala, gazelles, buffalos, and elephants. Apart from Tsavo's elephant population, there are many lion – some undoubtedly the descendants of the infamous and feared "Man-eaters of Tsavo" popularized in the film *The Ghost and the Darkness*. In addition to lion the resident carnivores in Tsavo include serval, hyena, leopard, cheetah, and caracal. The landscape is dominated, especially off the hills, by the giant baobab, a tree that is reputed to live 1,000 years.

Tsavo West is famous for the Mzima Springs. This star attraction is a pool of natural spring water with underwater viewing hides for observing hippos where a gushing supply of fresh, crystal clear water has created an oasis for wildlife. A specially constructed underwater observatory provides visitors with a unique view into the underwater world of Mzima. The water catchment is divided into two pools; here you can view hippos and crocodiles. The upper pool is occupied by the hippos and lower pool by the crocodiles. While here, you will have the chance to learn about the Maasai way of life and how they have co-existed through the millennia with the wildlife, as you visit a Maasai village, a Manyata.

The first lodge ever to be built in a Kenyan National Park, Kilaguni Serena Safari Lodge is superbly situated in the lee of Mount Kilimanjaro, encircled by volcanic splendor, adjacent to a teeming waterhole and daily visited by vast herds of elephant, buffalo and plains animals. Inspirationally positioned so that not only all the rooms but also the open-air restaurant, timbered viewing decks and rock-built bar enjoy uninterrupted views of the legendary snows of Kilimanjaro, the lodge also stands central to miles of lion-stalked grasslands, elephant-studded plains and wildlife-teeming bush and is ideally placed for visits to all the park's prime attractions. Faced in volcanic stone and utilizing the natural rocky outcrops of a valley known as 'the place of the young rhino', from which it takes its name, the lodge has been designed to blend chameleon-like into the savannah landscape. Cool, tranquil and hushed for optimum wildlife-viewing, the open-air dining area, timbered decks and rock-hewn bar blend the traditional "khaki-and-canvas" look with bright-painted banners, sepia-hued paintings and evocative olive-wood carvings of elephant herds and tail-erect warthogs. The elegantly renovated rooms draw on a sun-gold, sky-blue and bush-green savannah color palette and have been so styled to provide world-class luxury and a quintessential African aura while featuring private verandahs with views of eternity.

**DAYS 14/15~TUESDAY/WEDNESDAY~JUNE 26/27**  
**AMBOSELI NATIONAL PARK/MOUNT KILIMANJARO**

Today's drive takes you to Amboseli National Park located at the foot of Africa's highest mountain, Mount Kilimanjaro, which Ted climbed in 1972. The snow-capped peak of Mount Kilimanjaro rises above a saucer of clouds and dominates every aspect of Amboseli. This park covers only 150 square miles but despite its small size and its fragile ecosystem, it supports a wide range of mammals (well over 50 of the larger species) and birds (over 400 species). Years ago this was the locale around which such famous writers as Ernest Hemingway and Robert Ruark spun their stories of big-game hunting in the wilds of Africa. This too, is part of Maasailand, and it's not unusual to see the proud Maasai warrior or small children tending their cattle as you traverse their territory. In this land, animal and man have learned to coexist and thrive together, despite the harsh conditions.

This is also the park that has been made famous by Cynthia Moss, the noted American naturalist and author who has one of the longest-running studies on elephants. You might even see some of the elephants that Cynthia has immortalized in her many books and award-winning film *Echo of the Elephants*.

In the shadow of Mount Kilimanjaro, beside a copse of giant acacia trees and a gently flowing natural spring, stands Amboseli Serena Safari Lodge. With Kilimanjaro's 19,340 foot snow-capped summit presiding over the landscape, the setting is unrivalled. All around the lodge roams the wildlife that has made East Africa legendary – lion, buffalo, cheetah, giraffe, baboon, gazelle, and wildebeest. Influenced by native Maasai architecture, the lodge is in perfect harmony with its environment. Beautifully landscaped gardens, unique guest services and exceptional amenities enhance the distinctive ambience. The uniquely constructed Ivory Class guest rooms – 96 in total – with en-suite bathrooms, individually

appointed with authentic African art and murals painted by a renowned local artist, convey a distinctive Maasai Manyatta mood. Grouped in the manner of a Maasai village, each room enjoys a view of either majestic Mount Kilimanjaro or the expansive Amboseli plains, which are home to herds of elephant that feed on the large, feathery acacia trees. Overlooking the saltlick and floodlit waterhole, the open-air dining room serves guests sumptuous international menus, buffets and barbecues alongside authentic African dishes. A full-service bar and refreshing outdoor pool are some of the other luxuries one is expected to find at this lodge. Overnights at the AMBOSELI SERENA SAFARI LODGE. ## THINGS YOU NEED TO KNOW ABOUT KENYA

---

### Participants

- Participants must be able to climb in and out of minibuses unassisted. They should also be able to tolerate riding on uneven, bumpy dirt roads for long periods of time (6-9 hours maximum), as well as some off-road experiences when opportunities allow.
- Participants should also be able to stand and / or walk moderate distances at an easy pace for up to a few hours at a time when visiting villages, towns or other sites. Some, if not most, of this walking may be on uneven ground or uphill, often at higher elevations and altitudes that many people are not used to.

### General

- True adventure in travel can sometimes be accompanied by unexpected changes in conditions, itineraries and occasionally your accommodations.
- Participants should travel with a spirit of adventure and flexibility. Remember to pack your patience and sense of humor! Be willing to look past self-imposed ideals of Western amenities and do not compare these new experiences with your life back home. Travel often includes visiting destinations with modest infrastructures and a bending definition of comfort.
- That being said, some locations are nestled in absolute luxury where pampering is the norm. Participants should generally be in good health and prepared to travel in locations without medical facilities.

### Air Schedules

Choosing the best possible air arrangements for our travelers is always a challenge. We work with many airlines that offer the best level of service, routings and value for our programs. While there may indeed be more direct routings available with another airline, the cost of these flights may not be within the budget that allows us to give you the best value possible. If you prefer to purchase your own international air, please feel free to choose the "land only" rate for this program. **The start and end city for the land only program is Nairobi, Kenya.**

*Upon registration, you must provide your full legal name as it appears on your passport. In the event an airline ticket is issued with incorrect information you have provided, you will be responsible for charges associated with reissuing the ticket.*

## BRING-A-BOOK FOUNDATION

---

Your safari will include a visit to a local school. We encourage you to bring colorful books and magazines, as well as schools supplies such as pens, paper, crayons, soccer balls, etc., which you can present to the children during your visit. Many of these children have never owned a book in their life and the connection you'll make with them is invaluable. You'll find that children in the schools are eager to meet with visitors, practice their English, learn about your culture and proudly share their own. You are often welcomed with a local song or dance.

After seeing schools first hand, meeting the dedicated teachers working under the most difficult conditions and children hungry for knowledge, many travelers have wanted to help the schools they visited or continue to support a child's learning opportunities after they return to their homes. Bring-A-Book is an innovative effort adopted by Classic Escapes to expand education opportunities for school children. The Bring-A-Book Foundation is a registered Kenyan Charitable Trust that was created as a way to facilitate travelers' wishes to help the schools and is used to get books into the hands of children as quickly and economically as possible. With compassionate ground operators such as Rangers Safaris, Wilderness Safaris and &Beyond, Classic Escapes has expanded the reach of BAB to Tanzania, South Africa and Zambia, and plans to expand to other countries as well. Information will be given to you with your final documents, but if you wish to help further, feel free to call Classic Escapes at 800-627-1244 for details.

## CLASSIC ESCAPES CONSERVATION FUND

---

In keeping with our mission to provide exciting, educational, and fun-filled experiences that nurture and directly support the diverse wildlife and cultures we visit around the world, Classic Escapes has established the Classic Escapes Conservation Fund to ensure that a percentage of all profits go to support conservation and wildlife researchers performing their critical work in the field. Project support has included wild dog, elephant, rhino and cheetah conservation in Botswana, Kenya, Tanzania and Namibia, penguins in Punta San Juan Peru, tiger preservation in India, and sponsoring school children in Kenya, among many other projects around the world. By traveling with Classic Escapes, you are supporting travel as a tool for building the mutual respect, awareness and understanding that are vital to preserving this planet for future generations.

If more than two single rooms are needed, an additional supplement may apply. Single accommodations are not guaranteed, but will be provided at additional cost if available (see reservation form for cost.) The single room supplement pays for privacy, not better accommodations. For passengers who are traveling alone and wish to share a room with another tour member, we will do our best to provide a roommate. However, if this is not possible, you will be required to pay the single room supplement prior to your departure from the USA.

**GRATUITIES AND TAXES:** Gratuities for baggage handling, service charges and taxes imposed by hotels, and entrance fees to all points of interest as outlined in the itinerary are included. U.S. and foreign airport taxes are included in air costs. Tips to drivers and naturalist are NOT included.

### CANCELLATIONS, DEVIATIONS & CHANGES

**TRIP INSURANCE:** Because of the array on unforeseen circumstances that could delay or cancel a guest's trip, we highly recommend that guests purchase an optional insurance policy. Information will be sent to registrants.

**CANCELLATION POLICY:** Cancellations are only effective on receipt of written notification. The following per person fees are applicable on this tour:

- Up to March 10, 2018, less \$300 handling fee.
- March 11 to March 30, 2018, deposit is forfeited.
- March 31 to April 9, 2018, less 50% of tour cost.
- After April 10, 2018, no refund is possible.

These cancellation fees are also in addition to any fees imposed by airlines.

**CHANGE FEES:** Once you reserve your tour, changes are possible at a fee of \$150 per person subject to availability of air or land space at the time of request. Should there be any change fees imposed by airlines or ground operators, or additional costs incurred due to availability of any space, this cost will be invoiced to you.

**SPECIAL ARRANGEMENTS:** We would be happy to make additional travel plans for you, including specially arranged pre- or post-tour extensions different than those that may be offered in conjunction with this tour. A service charge of \$150 per person (over and above the cost of the services required) will be assessed.

### DOCUMENTS

**PASSPORT & VISAS:** The onus is upon the guest to ensure that passports and visas are valid for the countries visited and for the applicable time period, as outlined by the U.S. Department of State ([travel.state.gov](http://travel.state.gov)) or by the passport holder's country. Classic Escapes, their staff and their agents cannot be held liable for any visas, etc. not held by the guests, nor for the cost of obtaining visas.

**PRE-DEPARTURE INFORMATION:** Upon receipt of your registration and deposit, we will send a pre-departure packet to you. This packet contains all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, insurance information, etc.

**FINAL DOCUMENTS:** Final documents and tickets will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

### TRANSPORTATION

**OPTIONAL AIR TRANSPORTATION:** Roundtrip, economy-class flights via **BRITISH AIRWAYS** and/or other IATAN carriers are between CHICAGO and Nairobi noted in the itinerary. Rates are based on special promotional fares; cancellation fees apply once tickets are issued. Departures from other cities in the USA are possible at additional cost; inquire at the time of reservation. Please note that these promotional fares are subject to 10 passengers traveling together on the same airline routing and itinerary. If this minimum is not met, the special group rates are not applicable and it might become necessary to issue instant purchase tickets earlier than when final payment is due in order to take advantage of airfares that are similar to the group rates. Should this occur, you will be contacted with the details.

**AIRLINE SEATING:** For **BRITISH AIRWAYS**, we request seats together for the group. All planes are non-smoking. We can request a seating preference on your behalf, however requested seats cannot be guaranteed. Requests should be made in writing no later than 60 days prior to departure. Bulkhead and/or emergency row seats can only be requested at airport check-in on the day of departure. Boarding passes will only be issued at the airport on the day of departure. You may inquire about seat changes during check in, based on availability and is at the sole discretion of airport staff.

**FREQUENT FLYER MILEAGE:** As mentioned, we work primarily with **BRITISH AIRWAYS**. For a list of the airline's partners, visit <https://www.britishairways.com/en-us/information/partners-and-alliances>. Obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

**TRANSFERS:** Roundtrip airport transfers are included in the tour for guests arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

**DEPARTURE TAXES:** Please note the amount of departure tax reflected in the airfare is subject to change, at the discretion of governments and airlines, and with no advance notice. Should this occur, you will be invoiced prior to departure for any additional taxes imposed.

### TRIP DETAILS

**ACCOMMODATIONS:** You will marvel at the wonderful accommodations provided throughout your tour. All rooms have private bathroom facilities and air conditioning and/or fans. All rates are based on double occupancy. Most rooms are twin-bedded, but king-size beds are occasionally available and should be requested in advance. Accommodations listed in this itinerary are correct at time of writing, but on rare occasions may be substituted for a different property of comparable quality.

**MEALS:** All meals as specified in the itinerary. Please notify us if you have special dietary needs or requests, and we will do our best to accommodate.

**INOCULATIONS:** When it comes to vaccination and disease prevention, we suggest that travelers first review information provided by the U.S. Centers for Disease Control and Prevention ([www.cdc.gov/travel](http://www.cdc.gov/travel)) and then review those details with their personal physicians.

**WATER:** It is always advisable to drink bottled and/or filtered water when traveling overseas. Safe drinking water will be provided to travelers free of charge in the vehicles and during meals.

**BAGGAGE:** On average, international flights from the USA allow two pieces of checked luggage, each not exceeding 50 pounds; however we always recommend that you check your airline's policy just before departure, as luggage limitations are always subject to change. Despite this weight allowance, we always suggest guests travel light. Also soft-sided duffel bags are ideal for this tour, as they stow best in vehicles and airplanes with limited space.
