The Contractor shall perform such work (hereinafter called the "Contractor's Work" or the "Work") under the general direction of the CZS and in accordance with this Agreement and the Contract Documents. CZS's direction of the Work shall in no way relieve the Contractor of its responsibility to control the Work and provide a safe worksite.

2.2 **CONTRACT DOCUMENTS.** The Contract Documents, which are binding on the Contractor, are set forth in Article 16.1.

2.3 **CONFLICTS.** In the event of a conflict between this Agreement and the Contract Documents.

ARTICLE 3 – SCHEDULE OF WORK

3.1 **TIME IS OF ESSENCE.** Time is of the essence for both parties, and they mutually agree to see to the performance of their respective work and the work of any Subcontractors so that the Project will be completed in accordance with the Contract Documents and the Schedule of Work. The CZS shall prepare the Schedule of Work and revise such schedule as the Work progresses.

3.2 **CONTROL OF WORK.** The Work is under the charge and care of the Contractor until final completion and acceptance of the Work, unless otherwise stated in the Contract Documents.

3.3 **DUTY TO BE BOUND.** Both the CZS and Contractor shall be bound by the Schedule of Work. The Contractor shall provide the CZS with any requested scheduling information for the Contractor's Work. The Schedule of Work and all subsequent changes thereto shall be submitted to the Contractor in advance of the required performance.

3.4 **SCHEDULE CHANGES.** The Contractor recognizes that changes may be made in the Schedule of Work and agrees to comply with such changes subject to a reservation of rights arising hereunder.

3.5 **PRIORITY OF WORK.** The CZS shall have the right to decide the time, order and priority in which the various portions of the Work shall be performed and all other matters relative to the timely and orderly conduct of the Contractor's Work. CZS's rights herein shall in no way relieve the Contractor of its responsibility to control and coordinate the Work and provide a safe worksite.

The Contractor shall commence its work when notified to proceed by the CZS and if such work is interrupted for any reason the Contractor shall resume

such work within two working days from the CZS's notice to do so.

ARTICLE 4 – CONTRACT PRICE

The CZS agrees to pay to the Contractor for the satisfactory performance of the Contractor's Work, the sum stated in Article 1, in accordance with Article 5, and subject to additions or deductions pursuant to Article 6. (the "Contract Price"). Unless otherwise stated herein, the Contract Price is the total dollar amount of the bid accepted by CZS, including any change orders, and includes all labor, equipment, materials, permits, licenses, fees, and taxes necessary to perform the Contractor's Work.

ARTICLE 5 – PAYMENT

5.1 **GENERAL PROVISIONS.**

5.1.1 **SCHEDULE OF VALUES.** The Contractor shall provide a schedule of values satisfactory to the CZS within fifteen (15) days from the date of execution of this Agreement.

5.1.2 **PAYMENT USE RESTRICTION.** Any payment received by the Contractor hereunder shall not be used to satisfy or secure any indebtedness other than that owed by the Contractor to a person furnishing labor or materials for use in performing the Contractor's Work.

5.1.3 [Intentionally omitted]

5.1.4 **PARTIAL LIEN WAIVERS AND AFFIDAVITS.** For all payment applications, the Contractor shall provide, in a form satisfactory to the CZS, partial lien or claim waivers and affidavits from the Contractor, and its subcontractors and suppliers for the completed Contractor's Work. Chicago Title and Trust waivers are to be used.

5.1.5 **CONTRACTOR PAYMENT FAILURE.** In the event the CZS has reason to believe that labor, material or other obligations incurred in the performance of the Contractor's Work are not being paid, the CZS shall give written notice of such claim or lien to the Contractor and has the right to take any steps it deems necessary to insure that any progress payments to the Contractor are utilized to pay such obligations. If upon receipt of said notice, the Contractor does not:

- (a) supply evidence to the satisfaction of the CZS that the monies owing to the claimant have paid; or
- (b) post a bond indemnifying the Owner, the CZS, the CZS's surety, if any, and the premises from such claim or lien; then the CZS shall have the right to retain out of any payments due or to become due to the Contractor a reasonable amount to protect the CZS from any and all loss, damage or expense, including attorney's fees, arising out of or

relating to any such claim or lien until the claim or lien has been satisfied by the Contractor.

5.1.6 PAYMENT NOT ACCEPTANCE. The parties specifically stipulate and agree that payment to the Contractor does not constitute or imply acceptance by the CZS or the Owner of any portion of the Contractor's Work.

5.2 PROGRESS PAYMENTS.

5.2.1 APPLICATION. The Contractor shall submit progress payment applications for Work performed in the preceding payment period to the CZS pursuant to the terms of this Agreement, and specifically Articles 5.1.1, 5.2.2, and 5.2.3, for approval by the CZS.

5.2.2 TIME OF APPLICATION. The Contractor shall submit progress payment applications to the CZS no later than the 3rd calendar day of the month indicating work completed and, to the extent allowed under Article 5.2.3, materials suitably stored during the preceding month. Forms AIA G702 and G703 shall be used in submitting applications for both work completed and allowable stored materials. Applications received by the CZS after the due date will be submitted by the CZS in the following month's application for payment to the Owner.

5.2.3 STORED MATERIALS. Unless otherwise provided in the Contract Documents, and if approved in advance by the CZS, applications for payment may include materials and equipment not incorporated in the Contractor's Work but delivered and suitably stored at the site or at some other location agreed upon in writing. Approval of such payment applications shall be conditioned upon submission by the Contractor of bills of sale and applicable insurance or other such procedures satisfactory to the CZS in order to establish the Owner's title to such materials and equipment and otherwise protect the interest of the Owner and CZS therein, including transportation to the site.

5.2.4 TIME OF PAYMENT. Progress payments to the Contractor (which shall exclude retainage) for satisfactory performance of the Contractor's Work shall be made not later than forty-five (45) days after month end. Contractor understands, agrees and accepts that payment will be withheld if CZS, or CZS architect, if applicable, determines a defect in Contractor's scope of work or some other deficiency by Contractor.

5.2.5 PAYMENT DELAY. If for any reason not the fault of the Contractor, the Contractor does not receive a progress payment from the CZS within seven (7) business days after the date such payment is due, as defined in Article 5.2.4, then the Contractor, upon giving an additional seven (7) business days written notice to the CZS, and without prejudice to and in addition to any other legal remedies, may stop work until payment of the

full amount owing to the Contractor has been received. To the extent obtained by the CZS under the Contract Documents, the Contract Price shall be increased by the amount of the Contractor's reasonable costs of shutdown, delay and start-up, which shall be effected by appropriate Change Order. If the Contractor's Work has been stopped for thirty (30) days because the Contractor has not received progress payments as required hereunder, the Contractor may terminate this Agreement upon giving the CZS an additional seven (7) business days written notice.

5.2.6 PAYMENT OF CONTRACTOR'S MATERIALS AND OTHER COSTS. Contractor understands and accepts sole responsibility for all credit arrangements with suppliers and others for the purchase of materials and all other costs incurred or to be incurred in connection with the performance of Contractor's Work.

5.2.7 RETAINAGE. If after the Work provided for in the Contract shall have been fifty (50) percent completed, and performed to the satisfaction of CZS, and the Architect if necessary, the retainage amount may be reduced to zero (0) percent on payments for the remaining Work. The reduction amount is determined at the sole discretion of CZS and required certification by the Architect, if necessary, that the Contractor is properly and continuously expediting the Work. CZS shall have the right to reinstate the retainage in the event of a subsequent default by the Contractor.

If CZS does not reduce the retainage to zero (0) percent, after the Contractor has completed fifty (50) percent of the Work, CZS shall release the retainage once the Contractor receives its Certificate of Substantial Completion. The retainage may be reduced for Work that is incomplete, defective, not in accordance with the requirements of the Contract Documents, unsettled claims, and the costs of any third party to finish incomplete, incorrect or defective Work.

5.3 FINAL PAYMENT.

5.3.1 APPLICATION. The CZS shall process the Contractor's application for final payment without delay, upon acceptance of the Contractor's Work by the CZS, and the Architect, if necessary, and provided that the Contractor has furnished evidence of fulfillment of the Contractor's obligations in accordance with the Contract Documents and Article 5.3.2, below.

5.3.2 REQUIREMENTS. Before the CZS shall be required to make final payment, Contractor shall submit the following to the CZS:

These requirements shall in no way relieve the Contractor of liability for the obligations assumed under Article 9.10 hereof, or for faulty or defective work appearing after final payment.

5.3.3 TIME OF PAYMENT. Final payment of the balance due of the Contract Price shall be made to the Contractor: upon satisfaction of requirements in Section 5.3.2.

ARTICLE 6 – CHANGES, CLAIMS, DELAYS

6.1 CHANGES. When the CZS so orders in writing, the Contractor, without nullifying this Agreement, shall make any and all changes in the Work, which are within the general scope of this Agreement. No such adjustment shall be made for any such changes performed by the Contractor that have not been so ordered by the CZS and a change order issued and signed by the CZS representative.

6.2 CLAIMS RELATING TO CZS. Unless otherwise stated, CZS will be the final interpreter of the requirements of the Contract Documents and judge the acceptability of the Work with respect to any claim challenging a conclusion otherwise made by the Architect or CZS. the Contractor's claim. Subject to the Contractor's rights stated in 5.2.5, the Contractor shall continue to properly and timely perform and complete the Work in accordance with the Contract Documents and Schedule of Work.

6.3 DELAY. If the progress of the Contractor's Work is substantially delayed without the fault or responsibility of the Contractor, then the time for the Contractor's Work shall be extended by Change Order to the extent obtained by the CZS under the Contract Documents and the Schedule of Work shall be revised accordingly.

The CZS shall not be liable to the Contractor for any damages or additional compensation as a consequence of delays caused by any person not a party to this Agreement unless the CZS has first recovered the same on behalf of the Contractor from said person, it being understood and agreed by the Contractor that, apart from recovery from said person, the Contractor's sole and exclusive remedy for delay shall be an extension in the time for performance of the Contractor's Work.

If the Contractor refuses or fails to supply enough properly skilled workers, proper materials, or maintain the Schedule of Work, or it fails to make prompt payment for its workers, subcontractors or suppliers, disregards laws, ordinances, rules, regulations or orders of any public authority having jurisdiction, or otherwise is guilty of a material breach of a provision of this Agreement, and fails within three (3) working days after receipt of written notice to commence and continue satisfactory correction of such default with diligence and

promptness, then the CZS, without prejudice to any rights or remedies, shall have the right to any or all of the following remedies:

- (a) supply such number of workers and quantity of materials, equipment and other facilities as the CZS deems necessary for the completion of the Contractor's Work, or any part thereof which the Contractor has failed to complete or perform after the aforesaid notice, and charge the cost thereof to the Contractor, who shall be liable for the payment of same including reasonable overhead, profit and attorney's fees.
- (b) withhold payment of any monies due the Contractor pending corrective action to the extent required by and to the satisfaction of the CZS and the Owner or the Owner's Agent; and
- (c) in the event of an emergency affecting the safety of persons or property, the CZS may proceed as above without notice.

10.1.2 TERMINATION BY CZS. If the Contractor fails to commence and satisfactorily continue correction of a default within three (3) working days after receipt by the Contractor of the notice issued under Article 10.1.1, then the CZS may, in lieu of or in addition to Article 10.1.1, issue a second written notice, by certified mail, to the Contractor and its surety, if any. Such notice shall state that if the Contractor fails to commence and continue within seven (7) working days after receipt by the Contractor of the notice, the CZS may terminate this Agreement and use any materials, implements, equipment, appliances or tools furnished by or belonging to the Contractor to complete the Contractor's Work. The CZS also may furnish those materials, equipment and/or employ such workers or subcontractors, as the CZS deems necessary to maintain the orderly progress of the Work. All of the costs incurred by the CZS in so performing the Contractor's Work, including reasonable overhead, profit and attorney's fees, shall be deducted from any monies due or to become due the Contractor. The Contractor shall be liable for the payment of any amount by which such expense may exceed the unpaid balance of the subcontract price.

10.1.3 USE OF CONTRACTOR'S EQUIPMENT. If the CZS performs work under this Article 10 or sublets such work to be so performed, the CZS and/or the persons to whom work has been sublet shall have the right to take and use any materials, implements, equipment, appliances or tools furnished by, belonging or delivered to the Contractor and located at the Project.

10.2 BANKRUPTCY. Upon the appointment of a receiver for the Contractor or upon the Contractor making an assignment for the benefit of creditors, the CZS may terminate this Agreement upon giving three (3) working days written notice, by certified mail, to the

Contractor and its surety, if any. If an order for relief is entered under the bankruptcy code with respect to the Contractor, the CZS may terminate this Agreement by giving three (3) working days written notice by certified mail, to the Contractor, its trustee, and its surety, if any, unless the Contractor, the surety, or the trustee:

- (a) promptly cures all defaults;
- (b) provides adequate assurances of future performance;
- (c) compensates the CZS for actual pecuniary loss resulting from such defaults;
- (d) assumes the obligations of the Contractor within the statutory time limits.

10.3 INTERIM REMEDIES. If the Contractor is not performing in accordance with the Schedule of Work at the time of entering an order for relief, or at any subsequent time, the CZS, while awaiting the decision of the Contractor or its trustee to reject or to accept this Agreement and provide adequate assurance of its ability to perform hereunder, may avail itself of such remedies under this Article as are reasonably necessary to maintain the Schedule of Work.

The CZS may offset against any sums due or to become due the Contractor all costs incurred in pursuing any of the remedies provided hereunder, including, but not limited to, reasonable overhead, profit and attorney's fees.

The Contractor shall be liable for the payment of any amount by which such expense may exceed the unpaid balance of the Contract Price.

10.4 TERMINATION FOR CONVENIENCE. The CZS may order the Contractor in writing to suspend, delay or interrupt all or any part of the Contractor's Work for such period of time as may be determined to be appropriate for the convenience of the CZS. The Contractor shall notify the CZS in writing within ten (10) working days after receipt of the CZS's order of the effect of such order upon the Contractor's Work, and the Contract Price or contract time shall be adjusted by Subcontract Change Order for any increase in the time or cost of performance of this Agreement caused by such suspension, delay or interruption. No claim under this Article shall be allowed for any costs incurred more than ten (10) working days prior to the Contractor's notice to the CZS.

Neither the Contract Price nor the contract time shall be adjusted under this Article for any suspension, delay or interruption to the extent that performance would have been so suspended, delayed, or interrupted by the fault or negligence of the Contractor.

ARTICLE 11 - LABOR RELATIONS

11.1 LABOR HARMONY. The Contractor shall maintain workable and harmonious relations among its employees, and between its employees and the employees of the CZS, other Subcontractors and the Owner. 11.2 WORK STOPPAGES OR UNION DISPUTES. The Contractor shall be responsible for any work stoppages or union jurisdictional disputes involving its employees and shall cooperate fully with the CZS and other involved parties in resolving all such work stoppages and/or disputes, should they occur. In the event of a strike or stoppage of work resulting from a dispute involving or affecting the labor employed by the Contractor or its Subcontractors, the CZS may at its option terminate this agreement pursuant to Article 10, but the CZS shall compensate the Contractor for the value of the labor and material theretofore furnished or delivered to the construction site, proportioned upon the Contract Amount and pursuant to Article 5, but in such event, the Contractor shall not be entitled to prospective profits on portions of the Project not performed or with respect to materials not furnished to the construction site.

- (a) any such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than the Contractor's Work itself) including the loss of use resulting therefrom, to the extent caused or alleged to be caused in whole or in part by any negligent act or omission or willful misconduct of the Contractor, any Subcontractor (of any tier), any of their respective employees or agents or of any person or firm for whose actions the Contractor may be liable, regardless of whether it is caused in part by a party indemnified hereunder.
- (b) such obligation shall not be construed to negate, or abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist

as to any party or person described in this Article 12.

12.2 LIEN CLAIMS. Contractor shall indemnify, defend and hold harmless Owner and CZS (including their directors, officers, agents, employees, affiliates, parents or subsidiaries) from and against any and all suits, claims, damages, losses, costs, settlements, arbitration awards and expenses, including attorney's fees suffered, incurred or arising from mechanics' or materialmen's liens and any other claims for payment asserted against Owner or CZS, the Project, the Project Site and existing improvements thereon, or any part thereof, or against any funds intended to pay for the Project arising out of the Work, but only to the extent that Contractor has been paid all undisputed amounts that are due and payable and that such lien is from an agent or Subcontractor (including any lower-tier subcontractor or supplier) of Contractor.

12.3 NO LIMITATION UPON LIABILITY. In any and all claims against the Owner, the Architect, CZS (including their directors, officers, agents, employees affiliates, parents or subsidiaries) and other contractors or Subcontractors, or any of their directors, officers, agents or employees, by any employee of the Contractor, anyone directly or indirectly employed by the subcontractor or anyone for whose acts the Contractor may be liable, the indemnification obligation under this Article 12 shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor under worker's or workmen's compensation acts, disability benefit acts or other employee benefit acts.

12.4 ARCHITECT EXCLUSION. The obligations of the Contractor under this Article 12 shall not extend to the liability of the Architect, if any, its agents or employees, arising out of:

- (a) the preparation or approval of maps, drawings, opinions, reports, surveys, Change Orders, design or specifications, or
- (b) the giving of or the failure to give directions or instructions by the Architect, its agents or employees provided such giving or failure to give is the primary cause of the injury or damage.

12.5 COMPLIANCE WITH LAWS. The Contractor agrees to be bound by and, at its own cost, comply with all applicable Federal, State, and local laws, ordinances and regulations (hereinafter collectively referred to as "Laws") , including, but not limited to, equal employment opportunity, minority business enterprise, women's business enterprise, and disadvantaged business enterprise laws, prevailing wage, anti-kickback and environmental laws. The Contractor agrees that it has read, is familiar with, and will comply with the Forest

Preserve District of Cook County's Code of Ethical Conduct.

12.6 PREVAILING WAGE. This Agreement calls for the construction of a "public work," within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/01 et seq. (the "Act"). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the "prevailing rate of wages" (hourly cash wages plus fringe benefits) in the county where the work is performed. For information regarding current prevailing wage rates, the Contractor should refer to the Illinois Department of Labor. All Contractors and Subcontractors rendering services under this Agreement must comply with all requirements of the Act, including but not limited to, all wage, notice and record keeping duties. The Contractor will furnish certified payrolls for the project using the State of Illinois, Illinois Department of Labor Certified Transcript of Payroll forms. The Contractor shall require its Subcontractors to comply with the Illinois Prevailing Wage Act.

The Contractor's liability to the CZS and Owner for all loss, cost and expense attributable to any acts of commission or omission by the Contractor, its employees and agents resulting from the failure to comply with the Laws, shall include but not be limited to, any fines, penalties or corrective measures.

12.7 PATENTS. Except as otherwise provided by the Contract Documents, the Contractor shall pay all royalties and license fees, which may be due on the Contractor's Work. The Contractor shall defend all suits for claims for infringement of any patent rights arising out of the Contractor's Work, which may be brought against CZS or Owner, and shall be liable to the CZS and Owner for all loss, including all costs, expenses, and attorney's fees.

ARTICLE 13 – INSURANCE

13.1 CONTRACTOR'S INSURANCE. Prior to the start of the Contractor's Work, the Contractor shall procure for the Contractor's Work and maintain in force Worker's Compensation Insurance, Employer's Liability Insurance, Comprehensive or Commercial General Liability Insurance, Comprehensive Automobile Liability Insurance, and all insurance policies shall be written by an insurance carrier rated no less than A VII by A.M. Best Company and authorized to do business in Illinois. This insurance shall include contractual liability insurance covering the Contractor's obligations under Article 12. The Contractor waives any and every claim or right of recovery against CZS for any and all injuries and losses arising under this Agreement or in any way related to the Contractor's Work. The Contractor waives and agrees to cause all their insurers to waive their rights of subrogation against the CZS.

The CZS, Owner and Architect if any, and such other parties as required by the Contract Document, shall be named as additional insureds on each Comprehensive or Commercial General Liability Insurance Policy, any Umbrella Liability Policy, and any other special liability insurance policy as required for the Project. The Contractor shall arrange for a certificate of insurance, confirming that the minimum limits are in effect for each kind of insurance required for the Project and naming all of the above additional insureds, to be timely furnished to the CZS by the Contractor's insurance agent, and prior to starting work.

This Article 13 has application, in its entirety, to Subcontractors who furnish labor and/or services or otherwise perform on the premises for the Contractor's Work under an arrangement with the Contractor. The Contractor accepts the responsibility for each Subcontractor's compliance with all of the requirements hereof and indemnifies the CZS against any and all liabilities arising from the utilization of such Subcontractors the same as provided in Article 12 hereof.

13.2 MINIMUM LIMITS OF LIABILITY. The Contractor's Comprehensive or Commercial General Liability and Comprehensive Automobile Liability Insurance, as required by Article 13.1, shall be written with limits of liability not less than the levels shown in Exhibit B. The insurance coverage(s) and limits furnished by Contractor in no way limits the Contractor's liabilities and responsibilities specified within this Agreement or by law.

13.3 NUMBER OF POLICIES. Comprehensive or Commercial General Liability Insurance and other liability insurance may be arranged under a single policy for the full limits required or by a combination of underlying policies with the balance provided by an excess or Umbrella Liability Policy.

All insurance policies shall contain a provision that the coverages afforded thereunder shall not be cancelled or not renewed, nor restrictive modifications added, until at least sixty (60) days prior written notice has given to the CZS unless otherwise specifically required in the Contract Documents. Certificates of Insurance, or certified copies of policies acceptable to the CZS shall be filed with the CZS prior to the commencement of the Contractor's Work. In the event the Contractor fails to obtain or maintain any insurance coverage required under this Agreement, the CZS may purchase such coverage and charge the expense thereof to the Contractor, or terminate this Agreement.

15.1 INCONSISTENCIES AND OMISSIONS. The Contractor shall examine all specifications and drawings prior to commencing the Contract Work to determine if there are any inconsistencies or omissions. Upon receipt of said notice, the CZS shall instruct the Contractor as to the measures to be taken and the Contractor shall comply with the CZS's instructions. The Contractor shall cooperate with CZS to resolve such inconsistencies and omissions in a cost effective manner.

15.4 SEVERABILITY AND WAIVER. The partial or complete invalidity of any one or more provisions of this Agreement shall not affect the validity or continuing force and effect of any other provision. The failure of either party hereto to insist, in any one or more instances, upon the performance of any of the terms, covenants or conditions of this Agreement, or to exercise any right herein, shall not be construed as a waiver or relinquishment of such term, covenant, condition or right as respects further performance.

15.5 ATTORNEY'S FEES. Should either party employ an attorney to institute suit or arbitration to

enforce any of the provisions hereof, to protect its interest in any matter arising under this Agreement, or to collect damages for the breach of the Agreement, or to recover on a surety bond given by a party under this Agreement, the prevailing party shall be entitled to recover reasonable attorney's fees, costs, charges and expenses expended or incurred therein.

15.6 TITLES. The titles given to Articles and sections of this Agreement are for ease of reference only and shall not be relied upon or cited for any other purpose.

16.9 TREE AND SHRUBBERY. Every precaution shall be taken to avoid damage to trees, shrubs and all other plantings on CZS grounds. The CZS may request that a tree protection plan for all trees and shrubs in and around the construction area be filed with and approved by the Grounds Operations Manager before the Work begins.
