Denver Zoo

Keeper name/area: Niki Ciezki, PW
Approved by: DB Area Supervisor TC Curator
Comments:

Date submitted: 9 APRIL 03
U Veterinarian
4-22-03

Once approved and introduced, fill out the evaluation and make a double sided copy for Pam who will place it in the Enrichment notebook and make a copy for the Veterinarian.

We use these - I'm pretty sure they have already been proposed & approved. File/sand hole edges so not sharp - DB.
